Clark Partington Named to Top 100 Best Companies List

PENSACOLA, FL — Clark Partington Attorneys at Law has been named one of Florida’s *Best Companies To Work For*.

The annual *Best Companies To Work For In Florida* list featured in the August issue of *Florida Trend* magazine ranks 100 companies in small, medium and large employer categories, and Clark Partington is proud to be ranked at #35 in the medium company category.

Clark Partington is incredibly honored and grateful to have received this momentous, statewide recognition, prominently highlighting the strength, determination and unique culture of our firm’s entire team, comprised of over 30 attorneys and 60 staff members who provide exceptional legal services to individuals and businesses across the Florida Panhandle.

To participate in the running for Best Companies, companies or government entities were required to have at least 15 workers in Florida and to be in operation at least one year. Companies that chose to participate underwent an evaluation of their workplace policies, practices, philosophy, systems and demographics. The process also included a survey to measure employee satisfaction. The combined scores determined the top companies and the final ranking.

“Nearly every business in Florida has had to implement new and creative ways to attract and retain employees as the nation experiences near historic lows in the unemployment rate,” says Florida Trend Executive Editor Vickie Chachere. “The competition for high-quality talent has never been greater and employees are raising their expectations of their workplaces. Companies that support, elevate and celebrate their employees and are changemakers in creating positive workplace cultures will be the winners in the talent race.”

“Florida companies continue to lead, and lead by example! This impressive list of companies has not let adversity get in the way,” says Florida Trend Publisher David Denor. “They continue to innovate and step outside the box with critical thinking to ensure the success of not only their internal employees, but their clients as well. These inspirational and visionary companies provide a glimpse into what tomorrow’s workplace and workforce will look like. Lessons learned from these industry pioneers span far and wide.”

To commemorate this very special recognition, the Clark Partington firm will be hosting a firm-wide luncheon on Thursday, August 25th, with special guest, Carlton Proctor, PNJ Columnist and Florida Trend Affiliate, who will be attending on behalf of Florida Trend to officially present our team with the Florida Trend *Best Companies To Work For In Florida* recognition.
